Aman to Host Veterans' Meeting

South Windsor Legislator wants Veteran Residents to be Informed

SOUTH WINDSOR –State Representative Bill Aman (R-South Windsor) will host a meeting for area residents who are veterans to share a number of state and federal benefit programs. All South Windsor residents who served in the armed forces are encouraged to attend.

Both Representative Aman and officials from the State Department of Veterans' Affairs will be present to answer questions and provide information on the various services and benefits that are available to those who have served in the armed forces.

“Both the state and federal government have a number of programs, tax breaks, and benefits that are available to veterans,” said Representative Aman, who served with the 4th Infantry Division of the U.S. Army during the Vietnam War. “We want to make sure that area veterans are made aware of the programs, many of which they may not have known about, and have full and complete access to these resources.”

Aman also encouraged family members and spouses of veterans, as well as those who regularly work with veterans and the elderly population to attend as well. “It’s not much time to take out of your evening to find out some things that could make a real difference in someone’s life,” he noted.

The meeting will take place on Wednesday, September 13, at 7:00 p.m. in the South Windsor Library. Those unable to attend are encouraged to call Representative Aman’s office in Hartford for information at 1-860-240-8700.
